Hot Water Bottles.

We don't claim that the Eskimo uses a hot water bottle but he would if we were running a drug store in Greenland; because we would call his attention to our complete line of these goods at bottom prices. We are liable to have some Arctic weather this winter—cold enough to make people think they're on an iceberg. It will be a good time then to think of our hot water bottles.

—Ladies Free Tickets Monday night.

—Rev. M. W. Acton, of the First M. E. church, will discuss "The Bicycle," Sunday evening. "What it Incarnates, and how it Affects Society" will be his theme. With over 1200 wheels in use in our city we predict an immense audience. The Lohdell Cycling Club will attend.

—The Marietta Horse Company will give a dance Thanksgiving Eve at Schneider's hall on Second street. The proceeds will go toward buying a racing reel. Good music and good order. Turn out everybody and help the boys along.

—A dozen couples of young people enjoyed a social dance at Wehrs' Hall last evening.

—A part of the force at the Leidecker Tool Works was laid off Friday on account of a broken steam hammer.

—Rev. B. Fay Mills left Friday morning for Chillicothe, where he addressed a meeting Friday night on the subject of Armenian Relief.

—Mrs. Ed. Lightfritz is at Cleveland undergoing a surgical operation in a hospital in that city.

—The football lovers of Marietta are looking forward eagerly to the Thanksgiving Day game here with the eleven of Ohio Wesleyan University of Delaware. Unlike some teams which Marietta was to have played this season, Delaware will be on the gridiron when the game is called and will give the local boys a hustle for what is in reality the championship of the State, as the two teams stand at the top of the list.

—Dan. Bisantz and Geo. Gephart, the champion rabbit hunters of the City Hall force, went to Virginia Friday and were seen coming out of Chas. Pape's meat market with a bunch of rabbits.

—Next week at the Auditorium, only 10, 20 and 30 cents.

—Mr. B. G. Dawes left Friday afternoon for Newark, Ohio, in which enterprising and thrifty little city he has the controlling interest in a gas plant. Mr. Dawes will manage the concern. He will not take his family to Newark for the present, as there is considerable diphtheria in that city.

—Bessie, the two-year-old child of Nathan Lochary and wife, of Armadale, Athens county, was fatally burned Friday morning, the 20th. The little girl was sitting on the floor in front of the fire, playing with a wooden butter dish. She thrust the dish into the fire, and the grease in it caused it to quickly catch fire with the result that the flame communicated itself to the child's clothing. The poor little thing lived about two hours in frightful agony. It was a most distressing accident.

—The "March Nuptiale" is one of the exquisite numbers to be rendered by Mr. Carl at the First M. E. church Monday night. This march was played at the wedding ceremony of Princess Maud, at Buckingham Palace, London, in July. —Every night next week and Thursday and Saturday Matinees, De Leon's Comedians at the Auditorium, 10, 20 and 30 cents.

—Streckler Bros. sent out of this city Friday a single shipment of 90 barrels of tallow. A market for this product should be found at home and that is where a soap factory would come in.

—A man with a big skiff load of nitroglycerine passed down the Ohio about noon Thursday and his red flag attracted considerable attention from the point. A steamboat coming up the river gave him a wide berth and reduced speed in order not to agitate the dangerous craft too much.—Sentinel.

—A full line of nobby suitings at Sulzbacher's.

—John Fowler was arrested at Uhrichsville, Monday, for the robbery of Shively Bros. store at Batesville, Noble county, Sept. 7, 1895. The robbers left a coat in the store, and on the under part of the collar a mark which read "Foreman & Daugherty, Steubenville, Union Made." It was learned that this coat was made for a man named John Fowler, who worked for John Yocum, the ice man, in Steubenville. Detective Jesse Sweede traced Fowler to New Jersey and back again.

—Cambridge Sun.

Knights of old—crusaders who went to conquer the world, could not hope to succeed unless they were in virile, hearty health. A man cannot face difficulties if his stomach isn't in good order. Disordered digestion will make a sluggish coward out of any man. It makes his mind stagnant, and he cannot think quickly enough to accomplish anything. It makes his movements slow, and takes all of the snap out of him. Every man in business in America has a fight on his hands just as much as ever had belted knight. It is a matter of life and death, just the same with him as it was with the crusader. Indigestion and all the ills that go with it, most frequently start in constipation. That keeps all sorts of impurities in the body, forces them into the blood, and so deranges the whole system. Constipation is one of the commonest ills, and to it are traceable most of the disorders that make people sick. Once it gets a firm hold on a man, it is most difficult to overcome it. Temporary relief can be obtained in a thousand ways. There are medicines on the market that will help as long as you take them. There is only one remedy that is a real remedy—that you don't have to keep on taking forever. That is Dr. Pierce's Pleasant Pellets. The "Pellets" are tiny, sugar-coated granules, mild and efficient in their action. They effect a permanent cure. You don't become a slave to their use, as with other pills.

If you will send 21 one-cent stamps to cover cost of mailing only, we will send you FREE the most useful medical book extant. This is Dr. Pierce's Common Sense Medical Adviser, in plain English; a book of 1008 pages, profusely illustrated, the greatest exposure of quackery this century has ever seen. It has been covered by the sale of 600,000 copies at the regular price, \$1.50 per copy. Address, World's Dispensary Medical Association, No. 663 Main Street, Buffalo, N. Y.
